Chapter 1. Hangzhou Dianzi University

General Introduction

Founded in 1956 and located in the historical and cultural city of Hangzhou, Hangzhou Dianzi University (HDU) is listed as one of the 5 key universities approved by Zhejiang Provincial Government in 2015.

The distinctive programs of HDU are electronic science and technology, engineering and information technology as well as management and economics. There are 57 undergraduate programs and 70 postgraduate programs along with multiple interactive disciplines and specialties offered at 21 academic schools.

HDU has over 28,000 full-time students and emphasizes the comprehensive development of its students and works hard to cultivate high-quality talents with innovative spirits and practical skills. The students who have graduated from HDU are acclaimed by their employers and excel in their fields in important scientific and technological milestones in competitions around the world.

The university provides Doctoral Programs in Control Science & Engineering, Electronics Science & Engineering and Computer Science & Engineering. In recent years, HDU has completed a series of high-tech research projects as well as many state and provincial funded research projects in different fields.

The university has successfully established partner relationships with 80 universities and colleges in America, Russia, Canada, Britain, France, Germany, Ireland, Sweden, Spain, Italy, Australia, Japan, Belarus, etc.

Why Hangzhou and Hangzhou Dianzi University

Hangzhou Dianzi University is located in Xiasha Higher Education Zone of Hangzhou, the capital of Zhejiang province. This city is the center of provincial politics, economy, culture, science and education. It lies in the most dynamic part of China and has a very convenient and modern transportation system.

As one of the seven ancient capitals and the key scenic tourism and historical culture cities in China, Hangzhou was once applauded as "the most splendid and luxurious city in the world" by Marco Polo, the Italian traveler in the 13th century. Hangzhou is known for its natural beauty of the West Lake worldwide. "Above is paradise, below is Suzhou and Hangzhou" expresses people's sincere praise of Hangzhou. The West Lake Cultural Landscape of Hangzhou in China was successfully inscribed on UNESCO's World Heritage List as a cultural landscape property in 2011.

Hangzhou is famous for e-commerce industry and Alibaba, a world well-known E-Commerce Company founded in Hangzhou. Jack Ma, the executive chairman of Alibaba had once
